per-country renewal share

TWO WAYS TO JOIN

TRACK A · THE REVENUE ENGINE

Country Partner

Logistics, procurement & finance consultants, freight brokers, fractional CFOs and ex-carrier commercial managers who want to own a market.

- Recurring commission on every customer, from day one
- Renewal share for your country — 10% in year two, 7.5% from year three
- No retainer, no upfront fee — paid from revenue you create
- Sales kit, demo, ROI calculator & founder support

TRACK B · THE KNOW-HOW ENGINE

Consultant / Design Partner

Hands-on advisors who audit logistics cost today and want a sharper tool — plus early influence over how it works.

- **Free Professional access** for 6 months on real invoices
- Direct line to the founder; your feedback shapes the roadmap
- Certified track to bill your own clients on Oracron
- Founding-cohort status as we expand into your market

THE COUNTRY PARTNER LADDER — START AT ZERO, EARN YOUR COUNTRY

1

Ambassador

25% year 1, then 10% / 7.5% renewal share · first refusal on your country

3

Country Partner

AT ARR MILESTONE

20% year 1 + renewal share (10% Y2, 7.5% Y3+) on your country's recurring revenue · semi-exclusive

WHY PARTNER WITH ORACRON

The proof is the demo. A first finding on the prospect's own invoices within 72 hours — you show the money, you don't sell a promise. Every finding is a transparent audit trail: carrier, invoice, line item, rule, correction. And the platform learns your market's carriers and surcharges as you sell, so it sharpens with every invoice you run.

HOW IT WORKS

01

Apply

Pick a track, tell us your market. 3 min.

02

Certify

90-min onboarding: product & mechanics.

03

Run invoices

Demo on real data. The product talks.

04

Earn / build

Register deals & earn, or feed back.
